Weekly Update from First – January 19/23

Join us Sunday, January 29th following worship for a chat about values & wisdom you live your lives by.

We will have pizza/drinks available and hope everyone will join us for this informal chat! (Read more below)

Invitation from Rev. Paul

I really enjoyed getting to know about 30 people at First & Central at my invitations to meet one another. I never stop being inspired by the lives of love and integrity and community mindedness you live. It was a highlight of my fall.

Now I want to meet again as a congregation and Council/Board to hear more examples of the values and wisdom you live your lives by, especially in the areas of diversity. Most United church people have healthy families who manage diversity with humour and a sense of fairness, making sure everyone is taken care of. We are not gathering to make decisions. We are gathering to share stories of the values that guide us through life.

Our Council/Board will draw wisdom from this time of reflection and listening so it can set priorities and let the community know what kind of churches we offer.

Come if you can, (CENTRAL- bring a bag lunch & FIRST - We'll order pizzas) and stay for an hour after church. Nothing is more important and enjoyable than inreach, getting to know one another better. It will even help us grow.

**Central is gathering after church January 22nd
First is gathering after church January 29th**

Weekly Update from First – January 19/23

Joint Central & First Study Group Making Sense of the Bible (4 part series)

7 to 8:30 Wednesday nights (Feb 1st & 15th at First and
March 1st & 15th at Central)

Bring your questions and insights!

The bible has long been a primary source of Christian inspiration and direction. But how can we trust the bible to be meaningful today:

- when its miracle stories don't fit with science,
- when the bible contains racist and objectional material
- when it contains contradictions
- when it presents Jesus in two differing ways?

1. Miracle stories verses Science - Feb 1st at First

Nature of stories: Difference between facts and truth, history and story

Example of facts leading to untruths: 1 billion spent on political pacs same as amount spent on gum...meant to minimize pacs by comparing it to trivial gum but two different things

Special effects as powerful symbols and attention grabbing

Creation and Evolution

2. Inspirational scripture verses Objectional material - Feb 15th at First

How do we determine what is true and what is false?

Separating cultural norms from Loving norms

Repairing the damage of those beaten up by parts of the bible

3. Contradictions as Differing Points of View - March 1st at Central

Bible debates that continue today

Original Sin verses Original Blessing

Rules verses Justice

4. Two differing presentations of Jesus - March 15th at Central

Mat. Mark, Luke verses John

Jesus as only way verses Love as only way

Jesus moving beyond Tribal racism verses tribalism
