# Weekly Update from First – July 12/23

We recognize that we are worshipping on lands that were once occupied by the Haudenosaunee, the Lenae-Lenape, the Anishinabe and the Chonnoton. We are privileged to live and play in this area and we are indebted to those groups for being good stewards of the land. We especially recognize the Chippewa of the Thames, the Oneida of the Thames and the Munsee-Delaware Nation – our closest indigenous neighbours. May we aspire to be equally as good at stewardship of the land, and may we strive for peace with all nations.
